ABOUT US

Optimus Arms Company is located in Turkey. As Optimus Arms Company, we produce more affordable, higher quality shotguns and spare parts. Carefully selected materials and expert workmanship ensure performance and value. Our products are specially designed to meet the expectations of hunters and those interested in shooting sports.

And we are confident that these products will bring you years of hunting and/or shooting enjoyment.

Our products are high quality, reliable and superior performance. We can also produce special solutions according to your needs. The most important principles of our company are business ethics, honesty and mutual trust.

When you examine our catalog, you can find detailed descriptions, technical specifications and usage areas of each product. We are always there for you, our valued customers, with our innovative and reliable weapon solutions.

As Optimus Arms, we are happy to answer your questions and provide you with the most suitable defense solutions. Don't hesitate to contact us.

We look forward to working together for a safe and successful future. See you very soon.

Regards
